## **The Wiese Company, a Metrowest-based Designer/Builder, Wins Four National, Regional and Local awards**

December 10, 2009 – Sherborn, MA -- The Wiese Company won the 2009 Guildmaster Award – one of only eight awarded in all of Massachusetts, which celebrates service excellence in the building, remodeling, contracting and real estate professions. Each year, GuildQuality gives special recognition to the companies that demonstrate an ability to deliver a consistently superior customer experience.

The Wiese Company was also ranked #100 out of the Top 550 National Full-Service Remodeling Companies by Remodeling Magazine, based on residential remodeling revenue. They were also named a Top 500 National Remodeling Company by Qualified Remodeler Magazine. The annual listing is published to recognize remodeling firms for six criteria of success: Annual sales volume for the previous year, total number of years in business, association membership, certified employees on staff, industry awards and community service. The Magazine serves more than 81,000 remodeling firms nationwide.

“To be recognized by these industry leaders and professionals is a true honor,” said Ray Wiese, President and Chief Designer. “We pride ourselves in our high-quality workmanship, integrity and ability to consistently deliver projects on time and on budget. To be honored by our peers and our industry, both locally and nationally is a point of pride for us and something we strive for every day.”

Last, but certainly not least, The Wiese Company was named one of only five 2009 Market Leaders in the Boston market from Professional Remodeler Magazine, which recognizes the top five remodelers in each of the 20 top markets across the country. These companies generate nearly \$1 billion in annual revenue and set the agenda in their markets.

Founded in 1992, The Wiese Company is an award-winning firm specializing in home design and renovation solutions, serving the communities of Sherborn, Weston, Natick, Wayland, Newton, Wellesley and surrounding areas.
